

Consent to the publication of personal data (including photos)

Dear students,

In some cases we would like to make information about events from our school life accessible to a larger public. This, however, could also be individual-related information. We, therefore, intend to publish texts and photos that are relevant with educational work or school events. In addition to class photos, these could also include personal information about school trips or excursions, student exchange programs or educational projects.

We would like to ask for your consent in the following.
(Butzküben Gerber GbR)

First name, name, date of birth of the participant

**I hereby consent to the publication of my personal data, including photos,
in the following media: Please mark your choices.**

Press and school brochure

Facebook and social media

World Wide Web (Internet) under the homepage of the school
www.fremdsprachenforum.com

See the note below!

The granting of rights concerning photos takes place without pay and also includes the right to edit, as far as the processing is not disfiguring. As a rule, no names are added to the photos. Sound, video and film recordings are not included in this consent.

The consent is revocable at any time in writing to the school directors. As far as printing works are concerned, the consent is no longer revocable once the printing order has been issued.

If the consent is not revoked, it is valid for an unlimited period of time, ie. beyond the school year and also beyond the school membership.

The consent is voluntary. The non-grant or revocation of consent does not result in any disadvantages.

Publications on the Internet / Privacy Policy Note:

When published on the Internet, personal information (including photos) can be accessed and stored worldwide. The data can thus also be found via so-called "search engines". It cannot be ruled out that other people or companies associate the data with other personal data available on the Internet and thus create a personality profile, modify the data or use it for other purposes.
