- 2) Please fill out the group course contract, indicate exactly the duration of the course and send it to us per post or per fax.
- 3) Transfer the deposit to our bank account, so we can send to you the certification that you're registered for a German course.
- 4) With this certification you can apply for a resident visa at the German Embassy.

For example: you would like to attend a German course for 6 months at our school. Mark with a cross the 6 month course contract, total price is 1329 €. Send us back the contract and deposit (as it has been mentioned before) the amount of 729€ to our account. As soon as we receive the transfer and the contract, we will send to you the certification, with which you should go to the German embassy.

Attention. The German embassy will need some other documents apart from the language school. If you don't receive the visa, you will get your deposit back except the cancellation fee 200€, so you will receive 529€ back.

General Business Conditions for German Group Courses.

- 1). The course fee includes the cost of the lessons, the rooms, and administration. In addition we make a single charge of 30 €. (This is for photo copies, certificates, tests and diplomas). Students must supply their own text books.
- 2). On registration for a course there is a deposit of 130 € to be paid. This will be offset against the last instalment due to be paid. The deposit guarantees the student a place on the desired course as long as the conditions at clause 5 are satisfied. This is not valid if the participant fails to appear at the start of the course.
- 3). Participants in German courses must pay the first instalment before the course begins. Payment of the next course is due at the start of the fourth week's tuition.
- 4). A course month is four weeks long, not a calendar month. Lessons lost due to bank holidays are not usually substituted, only when more than two fall in the same month.
- 5). If there are too few students to form a group, the student has the right to have single lessons for the same price but for a reduced number of hours. If a group course has less than four people, the weekly tuition time will be reduced on grounds of the higher effectiveness of small groups: 4 people 12 teaching hours & 3 people 8 teaching hours.
- 6). A termination of contract during the contract time (i.e. the period between the signing of the contract and the fulfilment of that contract by Fremdsprachenforum) is not possible. Fremdsprachenforum is only prepared to agree to a termination by the student in the following cases:
 - 1). Refusal of a visa. 2). Death. 3). Illness. 4). Pregnancy. 5). Removal to a distant place.In these cases you have to pay a cancellation fee: the amount of the fee is 20% of the total course price, minimum 130,-€. In case of the above named grounds for termination, they are to be confirmed with the appropriate documents. For example, the refusal of a visa (1) should be confirmed with the official notification of the German embassy from the appropriate country, or a doctor's certificate (3&4). If the termination is accepted by Fremdsprachenforum, we will refund the following from the deposit already paid. Please read about our paper about information for the student.

Should the participant not wish to give notice, but postpone the beginning of the course, this is possible on condition that we are informed at least one week before the originally planned beginning of the course. If the participant or representative does not inform us in advance in cases such as the one above, they will be regarded as absent and then the monthly fee (280,-) will be offset against the deposit. Please make a note of the name of the person you speak to as well as the date and the time to avoid later misunderstandings. The period of notice is four weeks. There are no legal grounds of appeal against this.
- 7). On request, we will supply a confirmation of registration for people who need proof of their reason for staying in Germany to obtain a visa. Please read our information paper for student about deposit amount for visa.

If the participant is not in Germany at the time the contract is signed, a representative can take over the registration. This person's signature obliges them to take over responsibility for the payment of all fees on the signed form.

We emphasise strongly that the contract is binding for all courses.
- 8). If a participant in a group course does not take part one or more times in a lesson, they have no right to be compensated.
- 9). All courses lead, when not otherwise contractually agreed, (e.g. DSH-examination), to preparation for the exam for Foreign Language Secretary for the IHK (Chamber of Trade). For special courses, (e.g. private study or company courses) we have to include VAT (19%) in the bill.
- 10). We accept no responsibility for courses which take place outside the school at the student's wish.

A) Written consent according to data protection

The **personal data** specified in the contract, in particular name, address, telephone number and bank data, which is only necessary for carrying out the resulting contractual relationship, shall be collected on the basis of statutory authorization.

Any further use of personal data and the collection of additional information requires the consent of the person concerned. You can voluntarily grant such consent in the following section.

In some cases we would like to make information about events from our school life accessible to a larger public. This, however, could also be individual-related information.

We, therefore, intend to publish texts and photos that are relevant with educational work or school events. In addition to class photos, these could also include personal information about school trips or excursions, student exchange programs or educational projects.

We would like to ask for your consent in the following.

B) Consent to the use of data for further purposes

I hereby consent to the publication of my personal data including photos in the following media: Yes No

Press and school brochures, Facebook and social media,

Internet under the homepage of the school www.fremdsprachenforum.com

See the note below!

[Place, date, first name, name] [signature of the participant]

C) Rights of the person concerned: information, correction, cancellation and blocking, right of objection

According to Article 15 of the GDPR, you are entitled at any time to request from the credit institution XYZ (contractual partner) **extensive information** on any data stored concerning you.

According to Article 17 of the GDPR, you can at any time request the **correction, deletion and blocking** of individual personal data from the credit institution XYZ (contractual party).

In addition, you can make use of your right of objection at any time without stating reasons and amend or revoke the given declaration of consent with effect for the future. You can submit the cancellation either by post, by e-mail or by fax to the contractual party. No further costs will arise for you except the postage or transmission costs according to the existing base rates.

The granting of rights concerning photos takes place without pay and also includes the right to edit, as far as the processing is not disfiguring. As a rule, no names are added to the photos. Sound, video and film recordings are not included in this consent.

The consent is revocable at any time in writing to the school directors. As far as printing works are concerned, the consent is no longer revocable once the printing order has been **issued. If the consent is not revoked, it is valid for an unlimited period of time, ie. beyond the school year and also beyond the school membership.**

The consent is voluntary. The non-grant or revocation of consent does not result in any disadvantages.

Publications on the Internet / Privacy Policy Note :

When published on the Internet, personal information (including photographs) can be accessed and stored worldwide. The data can thus also be found via so-called "search engines". It cannot be ruled out that other people or companies associate the data with other personal data available on the Internet and thus create a personality profile, modify the data or use it for other purposes.
