

**Cologne** is an ideal city to welcome School Groups to because of the variety of activities on offer in and around the city. Cologne is worldwide renown for its museums, fine art collections and great architecture, and is host to one of the largest Cathedrals in Europe. Furthermore, one can take a cycling trip along the Rhine, visit beautiful old German towns and marvel at large Romantic castles.

**Our institute** was founded in 1986 and is located in a central but, nevertheless, beautiful and quiet site in the heart of Cologne in the vicinity of the university and parks. For further information about our Team and the history of our school, please check our website: [www.fremdsprachenforum.com](http://www.fremdsprachenforum.com)

**Our institute belongs to the few schools which are accredited by chamber of commerce for quality**
